ABOUT SECURE INSIGHT

Secure Insight was the first company to offer a standardized risk management process and information database of fully risk-assessed mortgage closing professionals that protects consumers and lenders, reducing fraud and ensuring that federal regulatory requirements are met. Secure Insight monitors tens of thousands of attorneys, title agents, escrow officers and notaries nationwide through proprietary SaaS technology and the mortgage industry’s only National Settlement Agent Database. This database is accessed daily as a fraud prevention tool by state and federal banks, mortgage lenders and credit unions throughout the United States. Secure Insight was named one of the Top 50 companies to watch in the Fintech space for 2021 by the Silicon Review, and in 2020 was named one of the Top Financial Security Providers by CFO Technology Magazine.
